IN THE UNITED STATES PATENT AND TRADEMARK OFFICE

In re Patent Application of:
Karen L. FEARON and Dino M. DINA

Application No.: 10/033,243

Filed: December 27, 2001

For: IMMUNOMODULATORY
POLYNUCLEOTIDES AND METHODS OF
USING THE SAME

Confirmation No.: 8533

Art Unit: 1635

Examiner: J. Epps-Ford

RESPONSE TO RESTRICTION REQUIREMENT

Mail Stop Non-Fee Amendment
Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Dear Sir:

This is in response to the Office Action mailed September 11, 2003 which sets forth a restriction requirement for pending claims 1-48 in the above-identified application. A response to this action is due October 11, 2003. Accordingly, this response is timely filed.

Restriction has been required as between the following allegedly distinct groups of inventions:

- I. Claims 1-27 and 47-48 drawn to an immunomodulatory polynucleotide comprising an immunostimulatory sequence (ISS);
- II. Claims 28-46, drawn to methods comprising administering an immunomodulatory polynucleotide to an individual.

Applicants hereby elect Group I (claims 1-27 and 47-48), without traverse. Applicants expressly reserve their right under 35 U.S.C. § 121 to file a divisional application directed to the

nonelected subject matter during the pendency of this application, or an application claiming priority from this application.

Should the elected product claims be found allowable, Applicants reserve the right to request rejoinder of withdrawn process claims which include all the limitations of the allowable product claim for examination (M.P.E.P. §821.04).

With regard to Group I, the Examiner required an election of a species of a single nucleotide sequence from the group consisting of SEQ ID NO: 1-2, 18-19, 35-36, 67-80, 83-96, and 132. Accordingly, Applicants hereby elect the sequence of SEQ ID NO: 132. Applicants request that, upon allowance of a generic claim, the remainder of the species be included as permitted by 37 C.F.R. § 1.141(a).

In the unlikely event that the transmittal letter is separated from this document and the Patent Office determines that an extension and/or other relief is required, Applicants petition for any required relief including extensions of time and authorizes the Assistant Commissioner to charge the cost of such petitions and/or other fees due in connection with the filing of this document to **Deposit Account No. 03-1952** referencing docket no. 377882001800. However, the Assistant Commissioner is not authorized to charge the cost of the issue fee to the Deposit Account.

Dated: October 3, 2003

Respectfully submitted,

By Karen R. Zachow
